SPECIAL NOTICE TO THOSE WHO MAIL LETTERS TO SOLDIBRE .- "A Soldier" writes from Manages as follows:

Not knowing how long the present

war may continue, it may not be im-proper to call the particular attention of soldiers and their friends abroad to the importance of directing letters properly, if they wish their friend in camp to receive them. Lette should always be addressed to the care of the Colonel, at the same time naming the regiment and State. If it happens to be wrong, the other may nerve as a guide. By the addition of the name of the Captain of the sol-dier's company, the delivery of the letter may be still more certainly in-sured. To put the simple name of an individual, with the Captain attached, the letter will rarely attain its destination. It is frequently the
